

SAND ROYAL

SCENTED CAT LITTER

Sand Royal is a sanitary cat litter that provides a pleasant aroma providing greater comfort since it compacts and binds feces instantly preventing them from releasing odors into the environment. Thanks to the easy extraction of clumps, the rest of the litter remains clean for further use achieving greater performance and durability.

Characteristics

Neutralizes and eliminates odors

100% natural

99% dust free

Pleasant aroma

Easy residue handling

Use

- 1 Place Sand Royal in the litter box to about 6 to 10 cm in depth. Mixing with other products is not recommended.
 - 2 Remove clumped and solid waste daily to maintain it dry and fresh.
 - 3 Replenish the litter box with **Sand Royal** keeping the recommended level to prevent waste from reaching the bottom.
- *Keep in a dry and cool area.*

Presentation

9 Kg bag.
