

# TURBOGROW 2 PLUS®

The original and patented long rounded baby chick feeder of cylindrical-conical shape and fast assembly for the feeding of chicks, pullets and breeders during their first 14 days of age.

## Features

- Manufactured with 100% virgin plastic and additives that provides high resistance and durability.
- Conical-cylindrical hopper and a "V" shaped pan with a large inner lip to avoid feed waste.
- It prevents the baby chicks from entering the feed area.
- Recommended: 1 TURBOGROW 2® for every 50 to 100 chicks.
- Rule of Thumb: more TURBOGROW 2 PLUS® placed better live weight and better uniformity.
- Thanks to its design, the stowed is quick and easy, occupying a minimum space.
- Capacity: 11 lb

## Benefits

- Promotes intestinal integrity
- Better uniformity.
- Improve Feed Conversion.
- Decrease mortality.
- Easy to clean and disinfect.
